

Certification – Study Tips

Work Effort Product –

There is no studying for this. This section assesses your knowledge of concepts and your ability to apply those concepts to what you do every day

Monitored Site Assessment –

Read the documents you are allowed to bring with you into the assessment site.

Certification – Assessment Taking Tips

Work Effort Product –

Follow ALL directions.

Consider this as your PIF.

Answer questions completely – do not skip sections.

Read questions carefully and answer what is asked.

You are given 3 – 6 months to complete this part. Don't wait for the last minute as your answers will reflect that.

Monitored Site Assessment –

Be familiar with the documents you are bringing into the assessment site.

Organize your documents.

Writing on assessment tools is permitted and encouraged.

Use of highlighter on assessment tools is permitted
