The 2016 Meeting of the Association for Surgical Education and the Association of Program Directors in Surgery

The Association for Surgical Education and the Association of Program Directors in Surgery Joint Meeting will be held April 12-16, 2016 at the Westin Copley Place, Boston, MA. A registration of over 900 is expected.

This is your opportunity to reach key decision makers in major purchases of surgical equipment, medications, and educational materials. The meeting will attract attendees from surgical residency and clerkship programs and surgical residents. Attendees will also consist of surgeons who are responsible for, and actively involved in, surgical education programs. For the most part, they are representatives from medical schools and educational institutions throughout the United States and Canada. In addition to their specialized fields of surgery, these surgeons have a dedicated interest in adult learning, performance evaluation, curriculum development and teaching.

Meeting activities will include:

- An exposition of the latest products and services provided by leading suppliers throughout the nation.
- Approximately 30 hours of quality education sessions and workshops conducted by experts and professionals in the areas of surgical education.
- Continuous exposure which includes continental breakfasts, coffee service and a reception held in the exhibit hall... all of which are guaranteed to promote traffic.
