

VIRTUAL MEETING OPTION FOR

APDS SPRING MEETING PORTION OF **2020 SURGICAL EDUCATION WEEK APRIL29-MAY 1, 2020**

Time for Innovation!

Wednesday and Thursday: Live Talks for New Program Directors Workshop

**Thursday and Friday: Virtual Gathering Including Live Panels and
Presidential Address, and Rooms of Posters and Presentations on APDS.org**

We don't know how long COVID will disrupt things, but we know that education and community are perhaps even more important than ever. We are hoping you can join us virtually at the end of April for this important event.

From your living room!

Here's how it works....

- A. If you have registered to attend the APDS meeting you're automatically entitled to virtual access on-line and on the website, and we'll assign you a password allowing one person to access all sessions listed on the attached tentative outline...you already paid your registration fee, so no extra charge.
- B. All those with posters, presentations, and panels will have a chance to still contribute and participate—either pre-recorded (posters, presentations) or live (panels, with a pre-record option too). Also, the resident presentation competition will go on!
- C. **For those who haven't yet registered for any portion of the original Surgical Education Week** you can register here for the virtual access sessions. Registration fees are listed below, and remember in the big picture you'll be saving travel time, airfare, meal and hotel costs, AND you won't have to leave home. If you register for the streaming access sessions by Sunday, April 26th, 2020, we'll get you that password to assure access for one person.

There are lots of moving pieces, so it is possible that streaming may eventually be offered for one or more sessions between Tuesday, April 28 through that start of the attached list of live streaming APDS plenary meeting sessions Wednesday, April 29 through Friday, May 1, no decision has yet been made on those sessions at this point..

Already registered, click here <http://apds.org/meetings/online-streaming/> to sign-up for virtual meeting access to the APDS Sessions.
